PREFACE

The journey of a thousand miles began with a single step of Sardar Dr. S.A. Raja - the Founder Chairman, a man of great erudition with magnanimous forethought, filled with a mission of self dedication through his life towards the cause of the poor for their welfare in the society which blossomed in to the formation of an educational empire where long back surroundings looked like a desert with people living around being under privileged with no means of livelihood. All got tilted by this one person and transformed in to a university campus filled with centres of advanced learning to impart Dental, Nursing, Pharmacy, Engineering, Agriculture and allied Sciences. This vision resulted in an outcome of graduates in every field and in each family spreading to every corner of this universe with an exhilarating future.

The Medical Institutions at Rajas opens up a platform for the faculty and the students to interact with each other for academic excellence and in various social issues to emerge as a fore runner among all others under the stewardship of Prof. Dr. Jacob Raja, MDS as the Chairman of the Rajas Medical Institutions accomplishing the dream to march ahead towards the pinnacle of glory.

Finally, the time to hit the target to level one is not far. It is possible and it's always within the reach. Let us cherish the moment to reach the unreachable.

Founder Chairman
Sardar Dr. S.A. Raja

VISION

To provide affordable and competent healthcare facility with perpetual passionate aspiration for excellence in academia and service.

MISSION

We are committed to provide a comprehensive and quality medical education with ethical values to equip the younger generation through teaching, research and compassionate approach and to spread the fragrance of learning.

Chairman
Prof. Dr. Jacob Raja MDS

Rajas Dental College & Hospital was established in the year 1987 and is located on the National Highways 47B at Kavalkinaru Junction in Tirunelveli District, at a distance of 20kms from Nagercoil and Kanniyakumari. It is affiliated to the Tamil Nadu Dr. M.G.R. Medical University, Chennai and is recognized by the Dental Council of India, New Delhi.

The College is located in a spacious green environment that stretches to about 30 acres, connecting Nagercoil– Kanniyakumari – Trivandrum and Tuticorin. The college has completed 36 glorious years to fly high as the best Institution in Dental Education. It is one of the foremost in the National scenario with a simulating mirror image of the Parliament of India with an architectural beauty overlooking the Western Ghats. The college has well equipped state of the art specialities like Periodontics & Implantology, Conservative Dentistry and Endodontics, Prosthodontics – Crown and Bridge, Oral and Maxillofacial Surgery, Orthodontics and Dentofacial Orthopaedics, Oral Medicine and Radiology, Oral Pathology, Paedodontics and Public Health Dentistry.

In addition to the above, there are other amenities like Blood Bank, Implant Clinic, Tobacco Cessation Clinic and round the clock medical outpatients service.

The college offers 100 seats for the BDS and 15 seats for the Post Graduate MDS Degree Programmes in various specialities. The academic programme as chartered in the student's Handbook has been structured well to aim at total moulding of the students in all spheres of life in curricular and co-curricular activities.

There exist a well established Gymnasium, an Indoor Stadium for Badminton and Table Tennis, Outdoor Basketball Court, Cricket Academy and Football Playground. Yoga and silambattam are also being taught to the students by experts in the field.

Separate hostels for girls and boys are available of which girls' hostel is within the campus and boys' hostel is right opposite the College. Delicious food to their requirement is prepared in our centralized kitchen and served hot.

Freshers are given accommodation in separate blocks in the college hostels. The College timings are from 8.30am to 4.00pm with tea and lunch break.

We are proud to acknowledge that more than 3600 Graduates and about 106 PostGraduates have so far successfully come out of the portals of this college Graduates and Post Graduates. All of them are well placed in India and abroad as Key Opinion Leaders (KOLs) and stalwarts in the profession- an appreciable number of them are working in United States of America, England, New Zealand, Australia, Ireland and in Gulf. Many others are working as in different Dental College in India after their Post Graduation, and also a good number of them have established their own sophisticated Dental clinics. It is a proud moment for the students to be recognized as RDCians.

The campus is culturally diverse with students from Tamilnadu, Kerala and other parts of the country.

Ph.D PROGRAMME:

We offer Ph.D Programs from The Tamilnadu Dr.M.G.R Medical University, Chennai and from The Internationally acclaimed Lincoln University which commenced from the academic year 2017-18.

ACADEMIC COLLABORATIVE COALITIONS: LINCOLN UNIVERSITY:

The Lincoln University is an acclaimed university of higher learning providing world class education with high standards of academic standards and dissipation of knowledge to serve global society. It is ranked highly by annual global university rankings. **Rajas Dental College and Hospital has an ongoing Ph.D program with Lincoln University since 2020.**

AIMST UNIVERSITY:

AIMST is a premier private sector University in Malaysia catering to the needs of local and international students in providing quality education. Aspiring towards mutually concurrent targets of achieving excellence in teaching and research, in the service of society through provision of better healthcare and through the benefits of translational research, **Rajas Dental College and Hospital has engaged in an academic collaboration with AIMST through an MOU signed in May 2023.**

These academic collaborations envisage faculty and student exchange programs, multi centric research programs and equivalence in degrees accorded.

We have also taken up Research Collaboration with Kalasalingam University, Srivilliputhur, Nellai Cancer Centre, Inbiotics and Biogenix Research Centre, Thiruvananthapuram

CONFERENCE HALL AND AUDITORIUM:

The College has a spacious, fully air-conditioned Auditorium that can accommodate 1000 persons. Regular intercollegiate, National workshops, seminars and national and international conferences are conducted in the college for benefit of the students and faculties. Students regularly attend inter-collegiate competitions and win prizes.

FACULTY:

The Faculty in the College are eminent, well experienced teachers of International renown and are leaders in their profession.

CENTRAL RESEARCH LABORATORY (CRL):

CRL is a non- profit multidisciplinary research unit that encourages R & D activities and provides a platform for researchers to utilize advanced instrument facilities. Spearheaded by experienced scientists, clinicians and other stakeholders, CRL executes intra-mural and extra-mural research projects funded by ICMR and TNSCST. PhD scholars, students doing Short Research Studies, collaborative Research Projects and Internships Training currently engage in active instruction and nurturance at the CRL.

TRANSPORT:

Our students are provided with the care of college bus facility with routes covering most of the towns in Kanyakumari and Tirunelveli Districts.

This convenience extends even up to Kaliyakkavilai, the border between Tamilnadu and Kerala states.

CLASSROOMS:

We have spacious air-conditioned Internet and communication technology (ICT) enabled classrooms with audio visuals units.

LIBRARY:

Our Central fully automated Library (ICT enabled) stands updated with books and journals of national and international level and is endowed with e-library facilities.

The Journal section of the PG library is air conditioned and well-furnished individual ThinkPad computers and other necessities.

We Welcome you all to RAJAS
